This article is a reminder that there is still much work to be done in Cully to prevent displacement and improve the quality of life for Cully residents. We are working hard alongside our Living Cully partners while expanding our home construction, critical home repairs and neighborhood revitalization efforts. This summer, we are wrapping up the construction of 21 homes at Helensview, with another 15 Cully homes slated for completion next year and land to build another multi-family affordable housing development in the future.

Habitat for Humanity Portland/Metro East is proud to announce that we are organizing a 2018 Global Village trip to El Salvador. If you are interested in being part of a dynamic team of dedicated individuals and traveling to El Salvador to work with local affiliates and families to build a safe, affordable home then we want to hear from you! Please contact Amanda Matlin (amanda@habitatportlandmetro.org) for more information.

"I am an immigrant from Moldova. I know how hard it is to buy a home. We're lucky that we were able to, but a lot of people aren't. It's important to give back." - Svetlana, Volunteer

Happy #NationalVolunteerWeek! We're so thankful to have volunteers like Svetlana who are helping us build homes in Cully.
